Envision Morgan

1 June 08

Residents of Morgan County participate in an Envision Morgan workshop Tuesday evening at Morgan Middle School. The study will incorporate input from these workshops in a final report to be presented some months from now. Two workshops have already been held, with another coming up on June 4 at 7:00 p.m. If you are unable to attend any of the sessions, the survey taken at the workshops is also available online at www.envisionmorgan.org.

Watch for more details and results from the sessions in next week's issue. Please make sure to attend one of the workshops and to invite your friends, neighbors and family members to attend or to take the survey online. Every opinion matters in this study.
